To Whom It May Concern:

It is with great pleasure that I stand as a referee for Spiros from Consulting 2000. Spiros has been involved with Rynfield Primary School for over ten years. His association with our school has been of the highest quality and his professional disposition has stood him in good stead. His knowledge and approach is evident in his execution of duties and responsibilities and his ability to address problems within the IT field is quite phenomenal.

Once Spiros has committed his expertise to your school, you will receive his utmost loyalty and support. His back-up service whether over the phone or having to travel from afar, is quite exceptional in today's IT technology. He has set up our original Senior IT Centre and just recently completed our Junior IT Centre.

Our school is a prime example of his workmanship and it is without hesitation that I recommend Spiros. Please feel free to contact me for any further information you may require.

Yours sincerely

P.C.J. Erasmus
